

The Chi Phi Fraternity

at the University of West Georgia

Truth, Honor and Personal Integrity
the Chi Phi Motto since 1824

*The Chi Phi Off-Campus
Compound @ UWG*

History: Founded in 1824 at Princeton University, **Chi Phi is the oldest men's social fraternity** in the United States. The Chapter at UWG was founded in 1972, which makes it one of the most established fraternities at West Georgia. With over 850 active Alumni (over 150 living in the Carrollton area), the Chapter possesses the most active alumni association by far among UWG's many fraternal organizations. **Chi Phi has owned and occupied our Chapter House on Maple Street since 1972.** Over the years our Alumni have purchased two

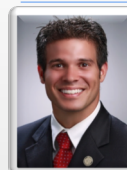

additional houses providing the Chapter with **three** properties, two acres of land and over 10,000 square feet of space under our roofs. Our **45 year** history of involvement on campus has left a distinguished and lasting mark on the University and the community.

Current Chapter: Our chapter today is one of the strongest and most involved on the UWG campus. Life is indeed good at Chi Phi...

- Philanthropy is a big focus to us each year as we will raise money and volunteer for several local and national charities throughout the year.
- On a sporting note, we field teams in every intramural sport offered at UWG.
- We enjoy social events and fellowship at our **off-campus properties**, and have also planned several exciting larger events for the upcoming year including a beach formal and our annual Parents Weekend & Founder's Day.
- We are blessed with involved Alumni that **fund multiple Chi Phi only scholarships** through the UWG Foundation, and even take the time to come once a month to speak to the Chapter about life after college.
